### **REASONS FOR ALLOWANCE**

1. NOTE: The advisory action mailed on 9/8/06 is in response to the after final filed 8/3/06. This action is in response to the after final amendment filed 8/21/06.
2. The following is an examiner's statement of reasons for allowance: The prior art of record all failed to show either alone and/or in combination an aerodynamic wing with inflatable leading edge strut and rib strut with an air pathway connection and valve. The valve also being configured such that the valve is operable in 2 configurations. The first configuration permitting air to flow and the second preventing air from flowing when the pressure in the rib is greater than the pressure of the leading edge strut. This cannot be seen in the regulators of the prior art cited previously.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
